Merry Christmas from all of us at Vision

To Our friends and customers:

This year, being Vision's 1st Christmas, we take great pleasure in setting aside our regular work and sending a heartfelt message to all of our best friends and customers.

How joyful we are that this time has come to extend to you our sincere gratitude because it is good friends and customers like you that make our business possible.

Your trust and dedication throughout this past year is greatly appreciated.

Thank You and Best Wishes for the Holiday Season and a Happy New Year

1ST Annual Vision Conference

We would like to say thank you to all of our customers who attended the 2007 Vision Conference in Leavenworth last October. Your attendance was much appreciated. We hope you found the conference relevant and informative, and you hopefully had a great time at the Enzian.

We had an excellent turnout with about 70 customers attending. It was nice seeing old friends and making lots of new ones.

Thanks again to all of our customers and the City of Leavenworth for making this conference a success! We look forward to seeing you all again next year.

Christmas...
perhaps... means a little bit more."*

IRS W2 Changes

As many of you are already aware, the IRS has changed the format of the 2007 W2's. Vision has developed and will provide a solution to each of you in an upcoming email as well as the new 2008 tax rate schedules as soon as they become available.
